

# BUSINESS FOR SALE

## Manufacturer of Supplements and Probiotics Operations in Canada and USA

### Opportunity

To purchase one of the premier probiotics and supplement manufacturers in North America. Probiotics can replace pharmaceutical agents. The increasing demand for probiotics has shown that customers prefer products with proven health benefits. The increasing evidence of health benefits associated with probiotics for health restoration has increased the customer expectations related to probiotics. Market research indicates a growth rate of 8.5% to 2027.

The Company is positioned well to capitalize on this anticipated growth as the Company has manufacturing plants in both locations have capacity to increase production and the Canadian facility has another 10,000 square feet buildable. Additionally the Company just spent \$1,000,000 to expand the Canadian production area. The Canadian location recently received the FDA certificate for manufacturing drugs.

### Business Highlights

- ▶ Over 40 years in business
- ▶ International Certification and trademarks in several countries
- ▶ Approximately \$30,000,000 manufacturing modernization expenditures
- ▶ Revenue approximately \$80,000,000 CDN
