Bio-Technology Distribution Company

Lower Mainland, BC

Business Details

The company has been providing business services and solutions to the nuclear medicine industry for over 15 years. The business offers marketing and sales of products for nuclear medicine applications. The customer base includes radiopharmaceutical producers, universities, research organisations and hospitals.

Over the years, the business has established an extensive global network covering all corners of the globe with sales agents and distributors in all the major continents.

With new opportunities identified for the nuclear medicine landscape the global market is expected to grow on average by 11% annually to reach US\$ 24 billion by 2030. This company is well positioned to take advantage of this growing market.
